

Government of Himachal Pradesh
Department of Environment, Science & Technology

Invitation of Proposals/bids
No. EVDP/Eco-Village/(1)-2017

Name of Project: Formulation/preparation of Eco-Village Development Plan (EVDP).

Government of Himachal Pradesh is in a process of implementing Model Eco Village Scheme in the State. For the purpose, Eco-Village Development Plan (EVD) will be prepared through expert agencies.

The Department of Environment, Science & Technology invites proposals/bids from the nationally/ internationally known expert agencies possessing experience of working in Himalayan Region to prepare/formulate Eco-Village Development Plan (EVDP). The village level plan shall include a situational analysis, Baselines, Resource Mapping and comprehensive eco village design with time bound action plan with budgeting keeping in view the ongoing cross sectoral schemes clearly defined in plan that how ongoing schemes can be submerged/converge with proposed action plan and that how gap funding can be suitably allocated for better and effective use. All prescriptions shall be based on gap assessment & analysis taking into account the base line status of various environmental aspects pertaining to the actionable components and shall have annual component wise breakup of the activities. The development of the EVDP would be a consultative and perceptive process, this would be different from conventional planning. The prospective bidders are requested to give work plan with time frame with budget requirement. The guidelines for formulation of Model Eco Village Scheme has been notified by the State Government which can be downloaded from url- http://desthp.nic.in/notifications/Eco-village_Scheme_Guidelines.pdf.

The proposals/ bids shall reach to the office of Director, Department of Environment, Science & Technology, Paryavaran Bhawan, Shimla-1 by 25th February, 2018.

Director,
Department of Environment, Science & Technology
Govt. of H.P. Shimla-1 (H.P)
